

**Dear parents,**

At present, childcare at FiPP's Kitas and day-care centers is limited to emergency care (for children of parents working in systemically relevant jobs)

For the month of April, FiPP e.V. waives all fees for the following:

- Lunches (Kitas)
- Snacks (Kitas)
- Costs for childcare (day-care/Horte)

Should you have granted FiPP with a direct debit authorization, then your account will not be charged for the month of April.

We will keep you updated with information on the latest developments.

We wish you and your children all the best and good health. We look forward to seeing you again!

**FiPP e.V.**
